

Le Havre Seamen's Club Delivery Service

From May 2020

Dear Seafarers,

Due to sanitary reasons linked with the Covid-19 global pandemic, we are not able to welcome you at the Seamen's Club. We are very sorry about that, but safety first.

As going downtown is not easy for shopping, we offer you to deliver at your ship's gangway different items. You can order by filling the form. [Click Here to access the order form](#)
